A message from the Organising Committee of the 29th IAOPA World Assembly in 2018.

We would like to acknowledge the support that has been given to us by our sponsors over the last two years.

Organising an International event of this nature is a major undertaking for a small organisation like AOPA NZ and without the financial support and expertise of our sponsors the event would not have got off the ground.

Our sponsors are listed below in random order with links to their websites to allow you to find out more about the organisations that actively support and promote general aviation in New Zealand.

Earnslaw and Walter Peak

The Earnslaw trip across Lake Wakatipu is hosted by Avsure
The evening meal at Walter Peak is hosted by Aspeq Ltd

You are about to have a dining experience that's unlike any other in Queenstown (or perhaps the world), join us at the Colonel's Homestead Restaurant at Walter Peak High Country Farm.

Steeped in Queenstown's pioneering history, your experience starts with a cruise across Lake Wakatipu in the 103 year old steamship, the TSS Earnslaw. You can visit the engine room and see its giant steam engines at work, view the collection of historical photos in the mini-museum, check out the bridge or even join a sing-along with the pianist. Then disembark at Walter Peak High Country Farm, one of the first farms set up in the region.

Relax in the unique ambience of the Colonel's Homestead Restaurant, the heart of the stately homestead at Walter Peak. Here, you'll enjoy a Gourmet BBQ dinner which the chef prepares in front of you, the menu includes an expansive array of New Zealand and local produce, from succulent meats cooked on the outdoor rotisserie or grill, a selection of delicious vegetables and salads. Then finish your meal with our irresistible desserts, New Zealand cheeses and freshly brewed tea & coffee.

After dinner, an entertaining and informative demonstration gives you a glimpse of life in the high country.

On the magical night-time cruise home, you can enjoy the camaraderie of a sing-a-long with the ship's pianist or breathe in the fresh night air on the moonlit decks as you watch the lights of Queenstown draw nearer.
